OC-0991-86
16 October 1986

MEMORANDUM FOR: Deputy Director for Administration

25X1 FROM:

Director of Communications

SUBJECT: Weekly Report

25X1
4. During the reporting period, OC and the Office of Information Technology participated in a joint senior management level planning conference. The conference was comprised of a series of information briefings on major projects within each Office designed to provide a foundation for issues and concerns that must be addressed jointly.
